DATE MAILED:

Please find below a communication from the EXAMINER in charge of the application.

Commissioner of Patents.

The general policy of the Office is not to permit the applicants to shift to claiming another invention after an election is once made and action given on the elected subject. Applicants had elected Group V, species "c" in paper 8 (filed March 7, 2000). The elected claimed invention and species had been examined on the merit (Office Action, paper #9, mailed on November 07, 2000). In Applicants' response, filed on January 30, 2001, species "c" has been included in the main body of claim 21 and claim 21 now requires the original species "c" and at least one of the remaining species. Since the election of species requirement (see paper 4) clearly states that Applicants were required to elect "a single disclosed species", shifting from one species to a combination of species is not permitted.

Since the above-mentioned reply appears to be bona fide, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Ngoc-Yen Nguyen at telephone number (703) 308-2536.
